

**NORTH  
YORK  
GENERAL**

North York General Hospital's  
Magnetic Resonance Imaging (MRI)  
hours of operation expanded!

**Here for you 24 hours a day, seven days a week.**

## **Map**

**By car:** The hospital is south of Sheppard, north of Highway 401, on the east side of Leslie St. If you are coming from the 401, take the Leslie exit. The hospital is just north on Leslie, so stay in the right lane. If you are driving south on Leslie Street, stay in the right lane and use the bridge to get to the hospital.

**Visitors Parking**

**Hospital's Main Entrance** - Enter through the two doors to the right of the revolving door. The first door is unlocked. If the second inner door is locked and a security officer is not at the desk, you will need to press the buzzer on the inside of the first door behind you. Upon request and if available, Security can provide an escort after your appointment to return to your vehicle.

**Directions to Medical Imaging** - A security officer will be at the Front Reception Desk to direct people to Medical Imaging. Directional signs are also posted throughout the hospital to the Medical Imaging Department on the First Floor.
