

For URGENT Paediatric Diabetes-Related Issues on Evenings/Weekends

How to reach the *Paediatric Diabetes doctor* on call

The procedure is as follows:

- 1) Call the North York General Hospital Main Line at 416-756-6000.
- 2) When you hear the recording, press zero to reach the operator.
- 3) Tell them you need the **Paediatric Diabetes doctor on call**.
- 4) Give the operator your name and phone number.
- 5) Switchboard will contact the doctor who is on call and the doctor will call you back *(please keep your phone line free)*.
- 6) Make sure you have all the information about your child's illness ready for the doctor's call (blood sugar, ketones etc).
