Update on Tendercare Living Centre long-term care home

There have been no new resident cases at the home since January 4, 2021. There are six (6) active resident cases in the home and 104 residents have resolved cases of COVID-19, which indicates that it has been 10 days since the resident's lab test confirming COVID-19 and they are no longer showing COVID-19 symptoms.

The total number of COVID-related deaths during the outbreak is 74.

There are currently 83 resolved staff cases, 47 staff have returned to work and 24 staff who are off work with COVID-19.
